11th March 2020

Dear Hotel Plus Exhibitors and Visitors,

In view of the evolving novel coronavirus situation, Shanghai Sinoexpo Informa Markets International Exhibition Co., Ltd. decided to postpone Hotel Plus after extensive consultation with exhibitors and industry stakeholders. According to the one-to-one questionnaire to over 1000 exhibitors, it is concluded that **75.11%** of the companies agree to postpone the event to August. The cooperation partners of the China's leading hotel and commercial property show, Shanghai Tourist Hotel Association, China Commerce Association for General Merchandise, China Association of Lighting Industry and China Architectural Culture Center, support this decision.

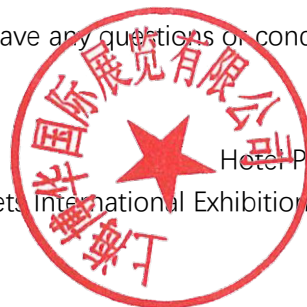

Hotel Plus, originally scheduled for 27th – 29th April 2020 at Shanghai New International Expo Center (SNIEC), will be postponed to **12th – 14th August 2020**. With the new date, Hotel Plus 2020 also moves to a new location at **National Exhibition and Convention Center (NECC)**, the biggest show venue in Shanghai.

Serving a wide range of industry segments including building and decoration, engineering design, lighting and intelligence, hotel supplies and furniture, cleaning and maintenance, facility management, smart retail and hotel franchise, the mega event of Hotel Plus is a one-stop purchasing platform on construction and operation for hotels and commercial properties. While keeping strong and active in the current environment, Hotel Plus will continue to provide a market place of enhanced quality for exhibitors and visitors across China and the world.

We wish to thank each and every customer who has supported us on Hotel Plus and greatly appreciate your patience and understanding. We look forward to seeing you again in this coming event.
